

Water Efficient Washing Machine Rebate Program Terms and Conditions

City of Grover Beach Community Development Department

154 S. 8th Street, Grover Beach, CA 93433 (805) 473-4520

The rebate is only given with the purchase of a new energy and water efficient washing machine and only one rebate per household will be given. This program is subject to change without notice and is subject to the availability of funding.

- Households eligible for a rebate must receive their water from the City of Grover Beach and the utility account must be in good standing.
- The washer must be CEE (Consortium for Energy Efficiency) Tier 2 or 3 compliant at the date the application is received from the customer (see the attached High Efficiency Specifications for Residential Clothes Washers).
- Rebates are based on a tiered list of qualifying models and are set at the following amounts:
 - Tier 2: \$100
 - Tier 3: \$150

A copy of this rating system and a list of qualifying models can be found at the following website:

(If you do not have access to the internet, contact the City of Grover Beach Community Development Department at 805-473-4520 for a copy of the rating system. Note that PG&E also offer rebates for even greater savings.)

- A rebate application and verification of purchase, model and residency must be submitted in order to receive a City rebate.
- The purchase must be made on or after June 1, 2009. The City will not honor rebates for used or reconditioned washers, or washers purchased prior to the above date.
- The application form must be completely filled out.
- Applicant must attach a legible copy of a valid, dated sales receipt to the application.
- The washer must be installed in accordance with all relevant building codes prior to submittal.
- A Community Development staff member must inspect the property to verify model and installation.
